

FEIL Proudly announces Workshop on
Emotional Intelligence for Teachers & Students

Mission

Liberating Human Potential for a Better Tomorrow.

FEIL Vision

FEIL is a world class association of dedicated practitioners and academicians committed to sustainable development for a peaceful and fulfilling society.

FEIL leverages education and training to enhance compassionate leadership and promotes emotional literacy by incorporating EI in curriculum

FEIL creates EI accredited Professionals.

FEIL aims at developing and disseminating new knowledge.

FEIL offers services of specialists, teachers, trainers and researchers of global standards.

The workshop for teachers would be of three hours and comprises the following:

I. Introduction of FEIL (The Vision and Mission)

II. The program

- a. Awareness of the Pygmalion effect + neurological composition leading to emotional complications.*
- b. Creating Caring Classrooms.*
- c. Activity on Role Efficacy including role understanding.*
- d. Goleman's module and Marshmallows' test.*
- e. Goal Setting + Motivation including emphasis on passion in life and five emotional intelligence mantras.*
- f. Role of Amydala, Mirror Cells and emotional contagion.*
- g. Attitude towards failure and Stress impairing memory.*

The workshop for students (Class five to class ten) would be of three hours and comprises the following:

I. Introduction of FEIL (The Vision and Mission)

II. The program

- a. Understanding Emotional Intelligence.*
- b. Importance of developing this trainable Intelligence.*
- c. Developing Emotional Intelligence competencies in students.*
- d. Identifying and tackling behavior problems in students.*
- e. Skills sets to increase concentration enhanced retention and will to learn.*

Emerging trends necessitate new studies and applied research on the contributions of the emotional mind and the emotional domain of learning. Building healthy and productive students requires the active and intentional development of emotional intelligence skills and competencies as normal and integral part of the process of education. Thus the final purpose of the workshops is to create a platform that can practically in the development of youths pursuing career oriented studies to build modern India.
